

“We Teach Learning”

Why Consider Educational Alternatives?

- Do you want a solid foundation of learning to really prepare your child for his / her next step?
- Do you want a program that focuses on the basic, critical skills to insure long lasting learning ?
- Do you want a program that focuses on the connection between motor development and cognitive development?
- Do you want a school / program where your child **LOVES** to be and his / her teacher loves having them in school ?

You are invited to come check us out
